

Redco International

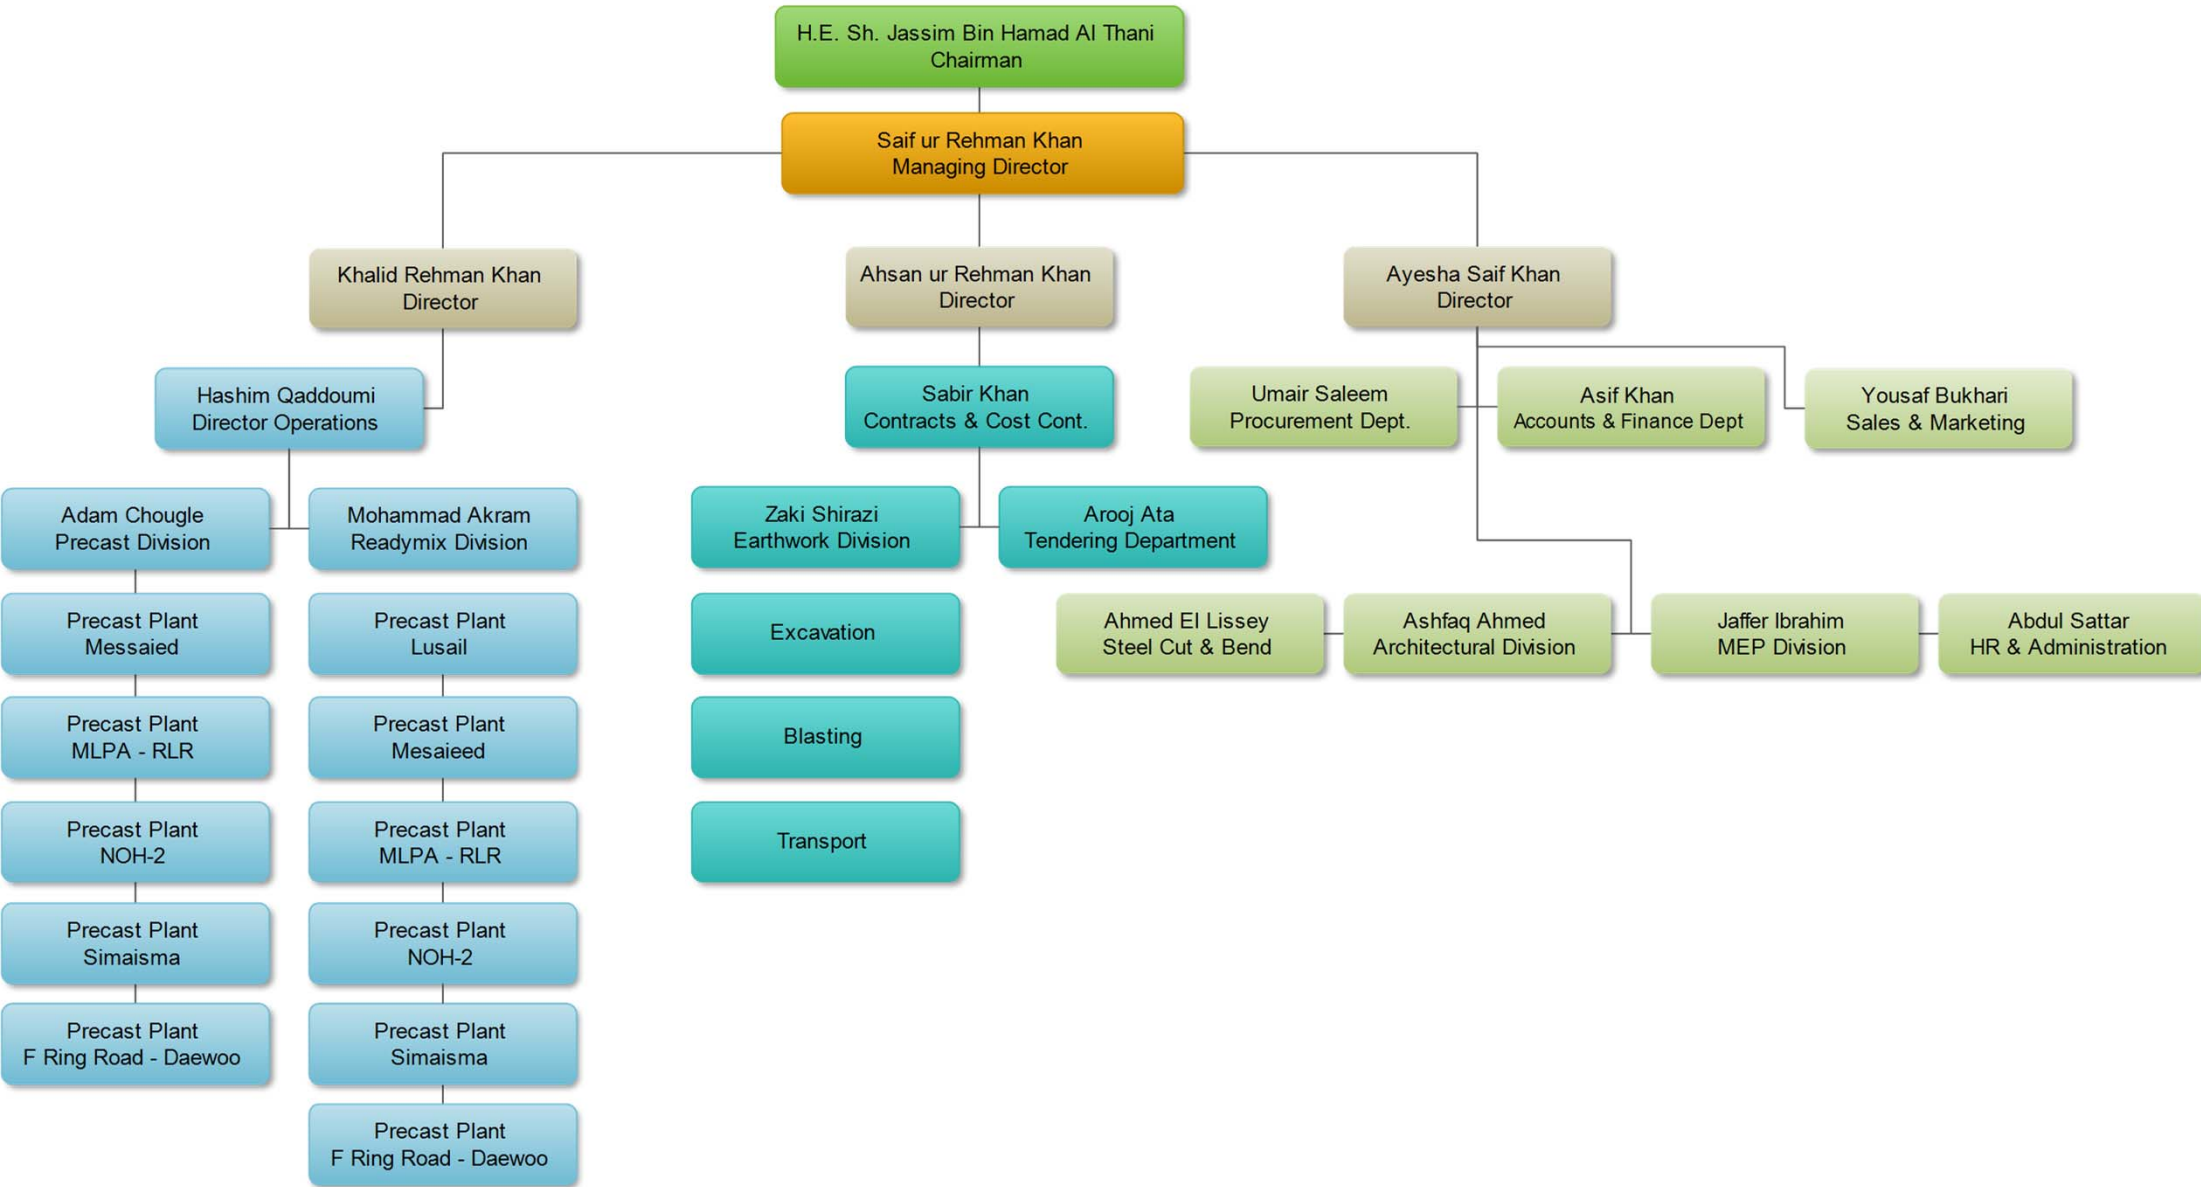

**Civil Construction | Precast Concrete & Hollow core Factories | Readymix Concrete Plants
MEP Grade A, Kahramaa approved EPC contractor | Steel Cut & Bend Factory
Earthwork & Blasting | Architectural Finishes | Textiles**

- Redco International is a local Qatari company owned by H.E. Sheikh Jassim Bin Hamad Al Thani, which has been in business in Qatar in **1982**. The company's workforce is **14,000 persons** and it has about **1000 units of construction equipment** in Qatar. Redco prides itself as an experienced industrial contractor with Precast factories, Readymix plants, Steel factory and manpower in large numbers already on the ground available locally here in Qatar.
- **On-going projects worth QR. 6.0 billion in hand.**
- Redco has following business divisions:
 - **Precast Concrete & Hollow core Factories**
 - **Readymix Concrete Plants**
 - **Steel cut & bend factory**
 - **Earthwork & Blasting**
 - **Civil Construction**
 - **Architectural Finishes**
 - **MEP Grade A, Kahramaa approved EPC contractor**

GROUP STRUCTURE / KEY MANAGEMENT

Diversity

Capability of doing business with the involvement of staff from various nations

Turn Key Solutions

In-house capability and rich experience in implementing projects from design to construction

Customer Satisfaction

Create a world class Customer Service model

Risk Management

Have successfully implemented projects involving complex logistics and construction while minimizing risks.

- 1- The above mentioned Company /Establishment is authorized to practice the Electrical Contracting Works in the State of Qatar for the duration of this license. (1) تخول الشركة / المؤسسة المذكورة أعلاه بمزاولة أعمال مقاول كهربائي ضمن حدود دولة قطر مادامت هذه الرخصة سارية المفعول.
- 2- This License is valid for electrical works that do not exceed 415 Volts. (2) تسري هذه الرخصة على التقييدات التي لا تتعدى 415 فولت.
- 3- The holder of this license is not authorized to execute works with Oil Saturated Sheets Insulated Cables (PILC Cables). If the project requires the application of this type of cables, the holder of this license should refer to Qatar General Electricity and Water Corporation for permission. (3) هذه الرخصة لا تخول حاملها مزاولة أية أعمال تتعلق بالكابلات المعزولة بالورق المشبع بالزيت (كسابلات الـ PILC) و متى كان المشروع يتطلب استخدام هذه النوعية من الكابلات ، استوجب على المقاول الحاصل لهذه الرخصة أن يتقدم إلى المؤسسة العامة القطرية للكهرباء والماء للحصول على تصديق بذلك .
- 4- Failure to comply with the condition mentioned above will cause the termination of this license. (4) عدم التقيد بهذا الإجراء سيؤدي إلى إلغاء الرخصة.
- 5- The holder of this license has no right to sell, transfer, or allow any third party to use it. According to the recommendations of the special committee, and under the applied regulations and by laws, Qatar General Electricity and Water Corporation preserves all rights to take any legal or corrective action against the violation of this condition. (5) لا يحق بأي شكل من الأشكال للشركة / المؤسسة حاملة هذه الرخصة بيعها أو التنازل عنها أو السماح لأي طرف ثالث باستعمالها. وللمؤسسة العامة القطرية للكهرباء والماء الحق في ظل النظم واللوائح التنفيذية المعمول بها اتخاذ التدابير والإجراءات اللازمة و المناسبة تجاه أية مخالفات المتكررين.

Note:
The company will be re-qualified by the Installations Section after the expiration of this license.
ملاحظة :-
سيتم إعادة تأهيل الشركة بعد انتهاء الرخصة من قبل قسم التقييدات.

Quality Policy

Vision

To be recognized as a leader in the field of Production, Supply, and Erection of the Precast, Readymix, Hollow Core Slabs, Civil Construction, Excavation & earthwork, Rock blasting, MEP works for buildings, MEP for industries and steel fabrication in the state of Qatar.

Commitment

We are fully committed to satisfying our customers' requirements, and complying with all applicable technical code of practices and regulations in order to achieve our Vision.

To meet these commitments, we have implemented a Quality Management System (QMS) complying with the international standard ISO 9001:2000.

We are committed to continually improving the effectiveness of our QMS, and have set relevant quality objectives, against which we monitor our performance. As part of our quest for excellence, we constantly seek to improve our products and services.

We provide the employees with training and introduce latest technologies.

Redco International

Health, Safety & Environmental (HSE) Policy

Redco International is committed to,

- Pursue the goal of no harm to people, property and environment;
- Protect the environment by prevention of pollution during our operations;
- Comply with applicable laws and statutes;
- Develop and promote a pro-active HSE culture within all our employees;
- Manage all risk to a level which is 'As low as reasonably Practicable';
- Provide adequate HSE awareness to all employees;
- Play a leading role in promoting best practice in our industries;
- Promote a culture in which all group employees share this commitment;
- Develop and use energy resources and materials efficiently to provide products and services;
- Protect the health and safety of all employees in our operations;

Redco International recognizes that,

- Health Safety & Environmental protection form an integral part of our activity;
- Managing health, safety and environmental protection;
- Ensuring sub-contractors to manage HSE in line with this policy;

Redco International will pursue this policy through visible management commitment and the individual commitment of all employees by demonstration Health, Safety and Environment standards at high level.

The Managing Director hereby commits to review at frequent intervals and, if necessary, update this policy on an annual basis.
